CALENDAR COLLECTION

Global Attributes-Calendar

- ▶ The Global attribute C_YWKDAY(XX) can only be used if the specified day is being excluded for the entire duration of the calendar
- ▶ If any of those days are added back as make-up days, the calendar would need to be updated by removing the global attribute and showing all Fridays not in session as C_DPLANNED days off

Waiver Day Attributes-Calendar

If a district has been granted an IPP waiver day for professional development, they will report a C_PRFLMEET attribute and indicate the # of hours used for the professional development

- ▶ They would also need to report either attribute C_DPLANNED for a whole day off for students, or
- ▶ C_HRSHRTPLN if day is shortened for students

Parent-Teacher Conference Attributes-Calendar

- ▶ If during school day, two DN records for day needed
 - C_HSHRTPLN for students
 - C_PTCONFRC for staff
- ▶ If after school hours, one DN record for day needed
 - C_PTCONFRC for staff

Calendar Questions

- ▶ District has AM and PM Kindergarten students, attending half day everyday
 - ▶ Calendars should be the building calendar and percent of time 50%
 - ▶ Should have separate AM/PM attendance pattern in case there is a late start or early dismissal
- ▶ Calendars for school age students attending an ESC program in another district
 - ▶ Resident district sets up a calendar based on their unique attendance pattern

Calendar Questions, cont.

- ▶ JVS satellite students – JVS should set up calendars based on district’s calendar where satellite is located and assign attendance pattern in FD attributes
- ▶ Possible option for JVS and PS ESC to use calendar reported at district via the course location IRN

Preschool Calendar Examples

- ▶ For AM/PM preschool students only attending M-Th, the district would need to submit a DN calendar with the C_YWKDAYFR attribute name to exclude all Fridays
- ▶ For itinerant students that may attend on Fridays, a separate calendar would need to be reported that does not exclude all Fridays
- ▶ In both cases, the percent of time would continue to be reported as either 50% or 100% depending on the individual student's hours of instruction

Kindergarten Calendar Q&A

Question. August 26, the 1st day that grades 1-12 come back to school, KG students are scheduled by appointment for testing. This testing by appointment continues through the next 2 days. On Friday, KG girls come in the morning and KG boys in the afternoon for orientation and to meet their teachers. The following Monday, regular KG classes begin. What is the first day for the KG students?

Answer. The following Monday – when regular KG classes begin – would be reported as the first day of school in the DL record for these KG students. There would be no need for separate calendars, assuming all KG students will begin together on that Monday and have the same attendance pattern for the remainder of the school year.

KG Calendar Q&A, cont.

Question. KG boys attend on the 1st day of school, then KG girls attend on the 2nd day of school. All KG students come back on the 3rd day.

Answer. Two separate calendars will be needed – one for KG boys, one for KG girls. For KG boys, report day 1 as first day of school in the DL record and day 2 as a planned day not in session in the DN record using C_DPLANNED.

30 Day Rule Reminders

- ▶ Districts must report enrollments and withdrawals in EMIS within 30 days of the enrollment or withdrawal
 - ▶ 30 calendar days (not school days)
 - ▶ 30 days begins with the district's first day in session or the student's first day of attendance in a district
 - ▶ Will not be funded back more than 30 days
 - ▶ Conflicts in SCR have no effect on meeting the 30 day rule
 - ▶ In shared situations, responsibility lies with educating district

105 Hour Rule Reminders

- ▶ The student has 105 hours of consecutive unexcused absences.
 - ▶ No longer included in the district's funding after date of withdrawal
 - ▶ Must document and follow relevant law and policy regarding truant and missing children
 - ▶ Use withdrawal code 76
 - ▶ Students not in attendance any days in the current school year will not be funded
 - ▶ Withdrawal code 81 is only used for students reported in error

Minimum Hours

School districts, joint vocational school districts, and chartered nonpublic schools will be required to be open for instruction for a minimum of:

- ▶ 455 hrs - students in half-day kindergarten
- ▶ 910 hrs - students in full-day KG through Grade 6
- ▶ 1,001 hours - students in Grades 7-12

Attendance Reporting

- ▶ Tardy vs ½ day absence? Tardies are not reported to EMIS. ½ day absences are reported as in previous years
- ▶ All attendance will be reported as in previous years in FS attendance elements
- ▶ Actual attendance/absences will only be reported on closed FS records once a student has withdrawn or at the end of the school year (in the final “S” reporting window)

SUMMER OAA COLLECTION

Summer OAA Reading Collection

- ▶ District must report all summer OAA reading scores for students they assessed
- ▶ The sending school or district must provide the test results to the receiving school or district
- ▶ This is the only collection request during which these scores can be reported

RETENTION COLLECTION

Retention Collection

- ▶ ODE is expecting a retained reason to be reported in FY15 Retention collection for students not withdrawn on or before the last day of school
- ▶ All public/community/STEM schools must abide by the Third Grade Reading Guarantee
- ▶ FY14 third grade students not meeting TGRG requirement are reported in FY15 as grade level 3 and retention element A

Retention Collection

Possible Gen Issues Checks

- ▶ Students reported with Retained Status options “E” or “G” must have a disability
- ▶ Number of last school year’s 3rd grade students expected to be reported with Retained Status options A – L
 - ▶ Students not achieving cut score and not withdrawn by end of last school year
- ▶ Student reported by district A with Retained Status option “H” should also be reported by district B with a Retained Status option

ODDEX Reminders

- ▶ User name and password set up in SAFE
- ▶ Additional roles added through OEDS
- ▶ User will access ODDEx website via provided URL
- ▶ Access to SCR, History, and SOES found on ODDEx landing page
- ▶ All updates to data made in district student software systems
