

Jan & Feb 2023 Grad Pathway updates

The Permanent tab is now on the left side and should be the default now when you select Graduation Pathways from the left student menu.

Updated Electives to mark as met if all categories are met and the total credits is 20 or above.

Financial Literacy has been added to the Core tab in the Social Studies section

Social Studies	
World History 9 (S1)	SWH
World History 9 (S2)	SWH
Missing American Government credit	SOG
Missing Financial Literacy credit	FIN
American History 8 (S1)	SOH
American History 8 (S2)	SOH
Social Studies 7 (S2)	SOO
Social Studies 7 (S1)	SOO

Electives

CORE Economics and Financial Literacy Requirement: NOT MET

CORE Fine Arts Requirement: NOT MET

[\(Explain\)](#)

NOTE – Please be careful when updating the FN tab for meeting CORE Economics and Financial Literacy – for example – if you automatically update all HS student to a YES on the FN tab – that takes away the FIN check on the Core tab as it assumes the student met the requirement even if they did not take a course associated with the FIN code. (Current Freshmen in 22-23 school year will need the FIN code in historical grades)

This will likely change in the future and will likely also be taken out of the Social Studies section.

Alternative Competency Options

Military Readiness wording change

ACT/SAT added – Please note ODE guidance: “To demonstrate competency in English II, a student must be remediation-free in the subjects of English and reading on the ACT.”

The Competency – Alternative Options will display. The appropriate Competency Alternative Option program code must be entered to get the green check mark in this section.
