Frequently Used Searches

I created this document based on the searches that I use most often. If you would like me to add any searches or DATs to the list, please email me the info at Burkholder@NWOCA.org. Additionally, I came across a document on PowerSource, 7671 that lists many more useful searches.

Students with a fee balance greater than 0:
*fee_balance.balance>0

Students missing an SSID:
State_studentnumber=

Students missing a locker number:
Locker_number=

Students missing a home room:
Home_Room=

Active students in the building:
OH_percent_time>0;enroll_status=0

Active students in your building with respect to grade level:
Grade_level in 9,10;oh_districtrelationship#3
*The above example will yield active 9$_{th}$ & 10th graders. For active 12$_{th}$ graders, use: grade_level in 12;oh_districtrelationship#3

Transferred-out students:
/enroll_status=2

Preregistered students:
/enroll_status=-1

Frequently Used DAT's
Individual student fee balance:
^(fee_getstudentbalance)
